Mr. Kip Warner
15311 Roper Avenue
White Rock BC V4B 2G1

Dear Mr. Warner,

Thank you for your recent communication regarding our May 30 meeting.

I have examined the information you shared with me and also perused other information on the subject of the collapse of Building 7 of the World Trade Centre on September 11, 2001. I don't have any follow-up questions to ask you at this time.

It is clear at this point that the root causes of the collapse of Building 7 have not been decisively determined, nor may they ever be.

Even so, I appreciate the time you've taken to share your information with me and I hope you will feel free to communicate further with me if additional information comes to light on this issue, or on any other federal matter of concern to you.

Yours Sincerely,

Russ Hiebert B.A., M.B.A., L.L.B.
